

Mokena Adopts Measure To License Contractors

An ordinance requiring all contractors doing business in Mokena to be licensed has been adopted by the village board.

The license year runs from July 1 to June 30. The fee for a general contractor is \$50; the fee for all other kinds of contractors is \$25. Each contractor licensed must also post a \$10,000 bond. The ordinance also requires contractors to keep construction sites cleaned up. The measure requires contractors to clear a site of waste, trash and refuse once a week and keep the public ways (streets and sidewalks) free of mud, dirt or obstructions.

Applications for licenses must be made in writing to the village clerk.

A general contractor is not

required to get additional licenses as a carpenter, masonry, cement or concrete contractor.

The ordinance lists the various types of contractors and then contains a blanket section which states that "any person who engages in the construction, repair, or altering of any building, street or sidewalk for which a building permit is required is presumed to be a contractor."

There are two exceptions, however. The ordinance states that "a license is not required for operating the business of a plumbing contractor or the business of an electrical contractor by a person who has registered as such pursuant to the provisions of ordinances relating to plumbing and elec-

trical contractors."

It is understood that Clyde Yunker, plumbing and heating, and Will Tuttle, electrical, fall within this last provision having already been licensed by the state.

This is a regulatory measure and police, health authorities, the fire department and building inspector all have jurisdiction in checking jobs to ascertain if the constructors involved are properly licensed and have posted bonds.

Orland Park has an ordinance licensing contractors as do several other municipalities in the southwest suburbs. Frankfort talked about one last year but the board did not take any action then. Now the subject has been revived.

DOROTHY TYLER, New Lenox, defeated defending champion Kitty Dedinsky, Joliet, one up in match play to capture the Will County Women's Golf Crown in the recent county tourney sponsored by the Joliet Park District and held at the Woodruff and Inwood Golf Courses.

For her feat, Mrs. Tyler was awarded beautiful trophies and honorary membership at the Woodruff and Inwood Golf Courses.

Mrs. Tyler is wife of Arnold Tyler, New Lenox superintendent of schools.

Immanuel Pastor Quits Pulpit For Classroom

The Rev. Dr. A. J. Bueltmann, pastor of Immanuel Lutheran Church will be leaving Mokena within the next week or 10 days. He is going to Cleveland, O., where he has accepted a position as head of the department of religion at Lutheran High School East.

In addition to heading the five man department of religion, Dr. Bueltmann will teach Christian doctrine to the seniors and latin to the freshmen and sophomores.

Dr. Bueltmann has been pastor of Immanuel for almost nine years -- eight years and eight months to be exact. He will deliver his farewell sermon at both services (8 and 10:30 a.m.) this Sunday, Aug. 27.

When Dr. Bueltmann

entered the ministry he had three desires, to be active in journalism, to be a pastor and to be a teacher. When he goes to Cleveland he will have fulfilled all of them. He worked for six years in religious publications; he has served as a pastor and is now about to realize his third ambition of becoming a teacher.

He also is an author with eight books to his credit. His latest book, "Take the High Road," is scheduled to be published Sept. 1. This book encourages youngsters to make the most of adolescence as they move toward manhood and womanhood.

This will be his eighth book and his second on adolescence. His first on this subject, "Teen Agers Need Parents" was pub-

lished in a second revised edition in 1965.

His school year is to begin Sept. 5. Dr. and Mrs. Bueltmann were in Cleveland last week. They were house hunting and with success.

They are to reside in Cleveland Heights.

At his request Immanuel Congregation granted him "a peaceful dismissal with regrets."

Dr. Bueltmann is chaplain of the Mokena Lions club. Mrs. Bueltmann was active in various organizations. She was chairman of the mental health committee of the Mokena Woman's Club and also treasurer of the organization. She was also a member of the Frankfort-Mokena Homemakers Extension unit.

Will Talk Of Area Plans At Frankfort

There is to be a meeting in the village hall at Frankfort Sept. 18 to discuss community planning and growth.

The session will see members of the Frankfort planning commission and the village board in conference with a representative of Tec-Search Inc., a professional municipal planning organization to determine the best courses for meeting future needs.

Mayor Glenn Warning, who for sometime has been talking with New Lenox and Mokena officials on common problems, has invited Mayor Joseph E. Hartung, of New Lenox, and Mayor Eric Book, of Mokena, to attend the Sept. 18 meeting.

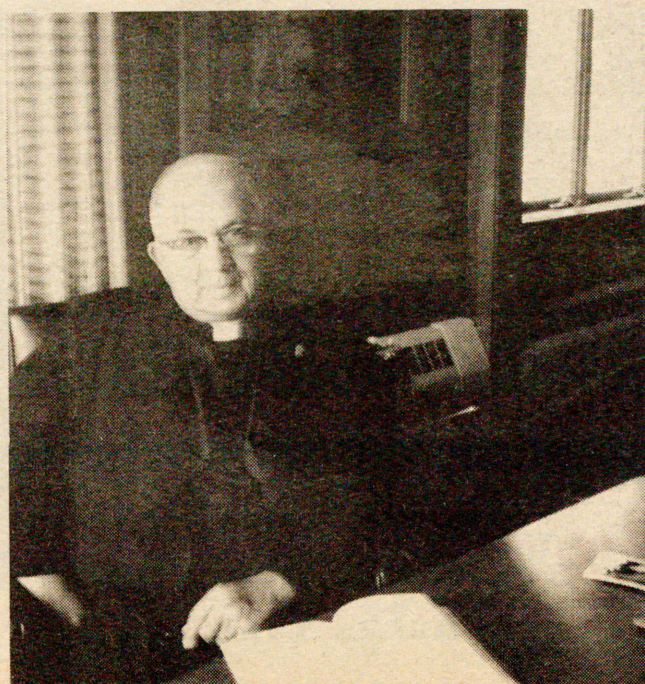

Mokena and Frankfort hired Tec-Search some years ago in a joint endeavor to create a development plan for the area embracing the two villages. New Lenox too has employed Tec-Search

to aid that municipality in its planning.

The three mayors agree that the three communities can expect tremendous growth in the near future and that they should be prepared to meet and guide it along channels that will be most beneficial to the communities and the people.

Zoning is a problem that is in need of attention, it was said. At Frankfort it was claimed that the present zoning law is always subject to upgrading. This was explained like this -- suppose an area is zoned for industry but the owner decides to build houses there instead. Since residential construction is a higher grade than industry he could go ahead and build the houses.

Bert Breidert, chairman of the Frankfort planning commission, wants this stabilized so if an area is zoned industrial it stays that way, or if residential,

Hot Lunch Program Starts Sept. 1 At Grade Schools

Telephone: 479-9321

The Hot Lunch Program will be started in the Mokena Public Grade Schools Friday, Sept. 1.

As with any program connected with a school, this will be an educational program and not just a "filling station" as the saying goes. The lunch room is a built in laboratory for a nutrition education program.

The lunch will be served daily to all grades and will

contain all the requirements of a Type A Lunch Program. The kinds and amounts of foods listed in the Type A Lunch Program are based on the Recommended Daily Dietary Allowances for 9-12 year old boys and girls.

As specified in the National School Lunch Regulations, a Type A lunch shall contain as a minimum:

- 1/2 pt. whole milk
- 2 ounces protein-rich foods
- 3/4 cup of vegetable and/ fruit

2 teaspoons of butter one slice of bread A vitamin C food each day and a Vitamin A food twice a week, plus some food containing iron each day.

The cost for the lunch per day will be 35¢ per student and 45¢ per teacher. This is a non-profit program and is maintained by taking advantage of gov't surplus foods, a small cash reimbursement and the students fee.

Just as with anything worth while, the success or failure

of this new program depends largely on the co-operation and, understanding of the parent and school.

The first menu, to be served the first full day of school is as follows:

- Meat loaf
- Mashed potatoes
- peas
- sunshine salad
- bread - butter
- cookie - milk

The Rev. and Mrs. W. James Johnston, former pastor, will be the guest speaker at the Parkview

Baptist Church, LaPorte Rd. and Scott St., on Sunday, Aug. 27, at all services.

Airman Michael V. Sinks, son of Mr. and Mrs. Rolley V. Sinks, 114 Glennel Ave., has been selected for technical training at Sheppard AFB, Tex, as a USAir Force Statistical data specialists.

The sixth annual workshop for baby sitters sponsored by the Will County Council of Community Service organizations and Silver Cross Hospital was held in June.

Among other subjects of talks, demonstrations, and discussion groups were: "health of sitters and their charges, responsibilities of parents and sitters, first aid

and safety measures".

The Mokena girls who participated in this year's program were Carolyn Bormet, Kay Fawley, Linda Follansbee, Pamela Kester, Rosemary Neer, Sharon Neuls, Cathy Warning, Peggy Williamson and Christine Wrath. These girls will be entering 8th grade this year at Willowcrest School.

At the next meeting of the Ladies' Aux. of the Wm. Martin VFW Post #725, the 5th District Senior Vice Pres., Mrs. Blanche Macena will attend for the purpose of an annual inspection. All members are urged to attend. Remember the date, Sept. 7 at 8 p.m. sharp!

Corner Stone Laying

All members of the Masonic fraternity in the area are invited to the corner stone laying for the new Joliet Masonic Temple to be held at 2 p.m. Sunday, Sept. 3.

The new temple is located on Midland Av., about half a block south of Glenwood Av. on the west side of Joliet.

Myron K. Lingle, grand master of Illinois, and mem-

bers of his staff, will attend the ceremony.

The temple is being built by the membership of Matteson and Mt. Joliet Lodges, but will be available for use by the other Masonic bodies of Joliet.

Joliet Commandery No. 4, Knights Templar, the DeMolay and Bethel chapters -- the last two being made up of teen boys and teen girls -- will furnish escorts at the corner stone laying.

\$5,000 Death Gratuity Offered Survivors Of Some Servicemen

A \$5,000 death gratuity is now payable to survivors of Illinois veterans who died while in active service between Jan. 1, 1957 and Sept. 29, 1965, according to Edward B. Akin, Administrator, Illinois Veterans' Commission. The veteran's death must have occurred:

1.-As a direct result of actions of hostile forces.
2.-Or, as a direct result of an accident involving a military or naval aircraft, or an aircraft under charter to the Department of Defense, Army, Navy or Air Force.

3.-Or, as a direct result of the extra hazard of military or naval service.

4.-Or, while performing service for which incentive pay for hazardous duty or special pay is authorized, according to Defense Department regulations.

Recent action by Congress has liberalized the law to the

extent that the \$5,000 death gratuity will not be reduced by any amount of death compensation or dependency received on account of the death. It also removes the requirement that these survivors waive their right to any future compensation or dependency and DIC payments in order to receive the \$5,000 payment.

The veterans' un-remarried widow, his children,

his parents, or others are entitled to the gratuity, in that order of precedence.

Mr. Akin stated that any one eligible for the gratuity must file a claim on or before Nov. 1, 1967.

For further information, one may contact the service officer of the Illinois Veterans' Commission at 4 E. Clinton St., Joliet. The office is open Monday thru Friday between the hours of 8:30 a.m. and 5:00 p.m.

A Job To Get It Open But Well Filled Now

The house formerly occupied by Mrs. Alma Caulfield at 11016 Front St., which was swept by fire about three weeks ago, is being dismantled and the basement filled.

Mrs. Caulfield, in having the basement filled, hopes to anticipate any demands by the village board. Prior to the fire that destroyed her home, Mrs. Caulfield, an aged widow, received a letter from the village attorney, Ronald Galowich, ordering her to have the well filled.

Apparently it was feared by some village official that someone might fall in this well, if he worked hard enough at it, and the peril should be removed.

Mrs. Caulfield obtained the services of Walter Yunker to fill the offending well. When he arrived at the property he found that the well was covered with a solid slab of concrete, about four inches thick. It was too

heavy for him to move so he went to work with a 20-pound sledge and finally succeeded in breaking the slab into pieces that could be pushed into the hole. Then he proceeded to pour in fill until the well was filled.

It is reported there are other wells about the village, also covered, but whether these are or will be considered dangerous, has not been indicated.

Observers point out that filling in the well on the Caulfield property will save any person determined to fall into it a lot of effort and possible expense in removing the concrete slab cover. The only way then can fall into it now is to dig out the fill.

Co-Op School Venture Has Own Board

The Lincoln-Way Area Co-operative for Special Education has formed a board of special education as its governing body. The members are Norval Robinson of Mokena, president; Kenneth Mundt of Manhattan, vice-president; Kenneth L. Oetter of Frankfort, secretary - treasurer; Mrs. Beatrice Link of Lincoln Estates, A. J. Turner of New Lenox, Joseph P. Farnham of Arbury Hills, and Calmer Oas of Lincoln Estates. Martin P. Mackay is the director - school psychologist of the Co-operative.

Each board member represents the respective schools that have formed this joint agreement. The schools included are Dist. 56C, Ann Rutledge; Dist. 114, Manhattan; Dist. 122, New Lenox; Dist. 157C, Frankfort; Dist. 159, Mokena; Dist. 161, Summit Hill, and Dist. 210, Lincoln-Way.

Board meetings are held on the fourth Tuesday of each month at Lincoln-Way Community High School beginning at 7:30 p.m.

Private Duty Nurses Raise Salary Scale

Private duty registered nurses of the Second District, Illinois Nurses Association, which includes Will County, have voted to increase their pay scale \$5 a day. The present scale is \$25 for an 8-hour day; effective Oct. 1 it will be \$30. The \$25 scale went into effect last September.

MR. AND MRS. ELLIOT KOLSTO

Taylor-Kolsto Recite Vows At New Lenox

The New Lenox Methodist Church was the setting for the June 10, 2:30 p.m. wedding ceremony of Miss Barbara Jean Taylor and Elliot Lee Kolsto.

The Rev. Herbert George officiated at the double ring ceremony uniting the daughter of Mr. and Mrs. Robert C. Taylor, Lincolnwood Hills, New Lenox, and the son of Mrs. Mary Kolsto, Cedar Rapids, Ia., and Orville Kolsto of Gurnee, Ill.

Randolph F. Kummer, Mokena was the organist, while Charles Strayer, Naperville, sang the Wedding Prayer and The Lord's Prayer.

Given in marriage by her father, the bride wore a silk organza toe touching A line skirt with Peau De Ange Lace. Her matched silk illusion bouffant veil attached to a cluster of petaled organza edged with seed

pearls.

She carried a cascade bouquet of Phalaenopsis and white roses, baby breath and snow drift pom-poms.

Miss Susan Webb, New Lenox, served the bride as maid of honor. Her toweling emprise sheath of Jonquil taffeta featured white daisies of embroidered organza, with a scooped neckline and short puffed sleeves. Her matching hat was trimmed with daisies. She carried a nosegay of white marguerite daisies and baby breath.

The bridesmaid, Mrs. Donald Huber of Carlinville, Ill., and Junior bridesmaid, Miss Kathryn Taylor, sister of the bride were identical to the maid of honor.

The flower girls were Cindy and Cathy Erdman, cousins of the bride.

Serving as best man was Donald Huber, and groomsman was John Wheeler, both of Carlinville, Ill. Junior groomsman was Steve Kolsto, brother of the groom.

Ushers were Robert Ascott of Eola, Ill. and Mark Dombkowski, of Franklin Park, Ill.

For her daughters wedding, the bride's mother chose an aqua lace dress with matching accessories. The groom's mother wore a turquoise ensemble with matching accessories. They each wore a cumbundum orchid corsage.

A reception followed immediately after in the church fellowship hall.

After a wedding trip to Niagara Falls, the couple are at home at Rt. 3, Box 3, Carlinville, Ill.

Orland Fire Dept. Needs 10 Day Men

Orland Fire Department is still in need of more men for the day schedule, according to Fire Chief Arthur Granat.

Better protection for property in the area is the primary reason for the additional volunteers, the chief said, but they are also needed to protect insurance rates. The number of men available to fight fires is a factor in establishing insurance rates, it was explained.

Orland is in need of 10 volunteers for daytime duty. Their only pay is the satisfaction of being a good citizen and neighbor, it was pointed out.

The department has an excellent training program so instructing the new men in fire fighting and rescue work is not a problem. Any men interested in joining the Orland Fire Department are asked by Chief Granat to get in touch with him at the village hall.

VFW Donates \$50 To Scout Fund

Commander Robert Merriam announces that the William Martin Post No. 725 Veterans of Foreign Wars has donated \$50 to the Rainbow Council of Boy Scouts of America.

The donation was made to assist the Rainbow Council in their three countywide campaign which includes Will, Grundy and Kankakee to raise a minimum of \$426,000 for a new camp development program.

Mr. Hollingsworth, general chairman, listed four reasons why this program was needed.

The current camp is severely limited to the extent that only 35% of eligible boys have been able to go to camp. It offers no possibility of expansion, it was said.

Facilities at the present camp are below minimum standard. Water resources and topography preclude extending water to campsites. Waupeca Creek's water

level cannot be controlled. In wet periods the present dam is in danger of being washed away. In dry periods the lake level drops so low that it does not meet minimum health and safety standards. The present buildings have deteriorated so that extensive and costly repair and rehabilitation will be necessary.

In the past five years the Council has shown marked membership increases ... 8.2% in 1966. It is estimated this enrollment will show another 50% increase in the next ten years.

The immediate availability of the new site ... 755 acres of land ideally suited for scout camping within 35-40 minutes of all sections of our area ... made it imperative to proceed at once.

Besides making this contribution Wm. Martin Post No. 725 has always been active in helping the local scout troops.

FOUR MEMBERS OF THE South Suburban Cradle Auxiliary working for the annual benefit fashion show and luncheon to be held Friday, Oct. 13, are Mr. and Mrs. Jack Sciaky, left, of Palos Park, and Mr. and Mrs. Henry Anderson, Orland Park.

Mr. and Mrs. Anderson recently turned over the Auxiliary's president's gavel to Mr. and Mrs. Richard Besser, who will head the group for the 1967-68 year.

EDC Undertakes Study Of Junior High Program

A comprehensive study of the junior high program in elementary schools is being undertaken by the Educational Development Cooperative (EDC), formerly the South Cook County Educational Development Cooperative (SCCEDC).

Such a study has long been considered essential by many local administrators in light of the fact that the junior high school as a program for the early adolescent frequently becomes the "catch all" in educational systems throughout the country.

The study by EDC is one of the projects approved for

funding by the United States Office of Education in June under Title III of the Elementary and Secondary Act of 1965. It will be spearheaded by a steering committee of superintendents appointed by EDC president John M. Flynn, superintendent of Bremen Community High School District 228, and confirmed by the organization's executive board in a recent meeting.

Named to the Junior High study committee were the following superintendents: Zenon J. Sykuta, Country Club Hills Elementary District 160; Walter F. Fierke, Tinley Park Community

Consolidated Elementary District 146; Oscar W. Huth, Matteson Elementary District 162; S. P. Monteith, Steger Elementary District 194; Porter Orr, Evergreen Park Elementary District 124; and Everett Kerr, Blue Island Elementary District 130.

According to Chairman Sykuta, the junior high administrative unit, created as a transitional program between the early school years and that of high school, has been the subject of little contemporary research. Rapid sociological change and increased education requirements necessitate a

new look at the program.

Under the direction of Wayne Shiffer, EDC's assistant director, curriculum and instruction, and an assigned staff member, and in cooperation with certain districts, the study will focus on the needs of the early adolescent and the methods of instruction and experience to satisfy these needs.

Briefly, the project's objectives are to study, determine and identify the problems of transition from the intermediate grades to junior high school which may include the effectiveness of various organizational methods: self-contained classroom, core curriculum, block of time, complete departmentalization; the needs of the junior high classroom teacher and the administration in dealing with the programs of the age group.

The plan of operation calls for participation of professional personnel from a minimum of 16 junior high schools; community agencies such as police juvenile courts, medical association, nurses groups; parent groups; boards of education.

It is anticipated that from the concerns and problems study will evolve additional studies and suggested methods of dealing with the various

problems and in meeting the needs.

Ultimately, it is hoped that implementation of the best procedures determined and developed from the study may take place through the use of classroom demonstration, seminars, and discussions involving the maximum number of personnel possible; the use of in-service training procedures for area administration, teachers, boards of education, and parent groups.

Evaluation will be an ongoing process. It will include use of commercially prepared tests to measure problem situations; assessment of student and professional staff behavioral change; discussion of findings with lower grade and high school staff members for purposes of understanding, articulation, or program change; and, hopefully, to determine the public image of the school and resultant changes due to the study.

Student Gets On Job Training At Lake Cook

JAY DIXON (left) of Joliet discusses his summer trainee program with Maynard Beaudreau, Freshmen Placement supervisor and instructor at Joliet Junior College.

Jay Dixon of Joliet has served this summer as a store manager assistant at Lake - Cook Farm Supply Company, Tinley Park. The store deals in all needs for lawn, garden, farm, orchard and stables. Jay has been learning the retail store operation, concentrating on the wide field of farm and garden chemicals.

This is part of the program of study for young men enrolled in the two year

Agricultural - Business Course at Joliet College. The young Joliet student will return in February for additional training before graduation.

Said Ernest Yepsen, company manager, "This is an ideal training ground for young men who find it difficult to actively continue farming.

Anyone interested in this program or in good agricultural business positions should call us at 532-4723."

Girl Honored At Kitchen Shower

MRS. DOLORES ANDERSON
Telephone: 485-2365

Miss Betty Jane Malloy entertained in her home recently at a Kitchen shower for Miss Christine Peterson of Mokena, who was married on Aug. 5.

Upon her arrival at the party, the guest of honor was presented with a corsage of pink sweetheart roses.

Novel games were played and prizes were awarded the winners, and duplicate prizes were given the honored guest, from a decorated table. Refreshments were served from a long table covered with a white linen cloth, and centered with a sprinkling can that was filled with flowers. Individual sprinkling can nut cups decorated each guests place.

Many nice gifts were presented the new bride.

Guests at the party were, Miss June Swanberg, Miss Sherry Thompson, Miss Linda Montgomery, Miss Jan Neillis, Miss Kathy Kinney, Miss Elaine Longhoni, Mrs. John Peterson, Mrs. Tom Ault, Mrs. William Malloy and the honored guest and hostess.

Marley

Kindergarten Opens With Orientation

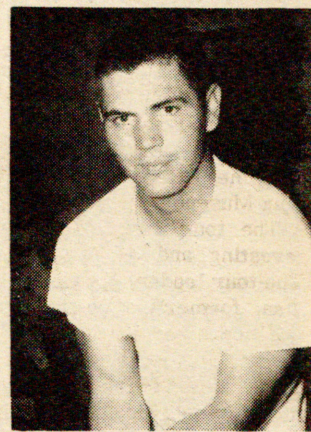

MRS. VIRGINIA SASS
Telephone: 485-6424

Although its school district is dissolved, the Marley community still boasts a school which houses kindergarten classes for the New Lenox school system. The two-room brick building was built in 1960 on Maple Road in Marley, when the old one-room school on Route 6, west of the village, became inadequate. Shortly afterward, in 1963, the Marley District merged with the New Lenox District 122.

One-half of the 225 students registered for kindergarten in the New Lenox District will be enrolled in four classes in the Marley School with the remainder in four classes in the Reiter School. The teachers at Marley, Marilyn Darter and Geneva Oster, will each have two, two and one-half hour sessions each day, one in the morning and one in the afternoon. Transportation, provided by parents, is either by bus or car-pool. Pending the signing of a current bill by the Governor, this policy may change and then transportation will be furnished by the district. The kindergarten will open

on Aug. 31 with orientation conferences between parents, teachers, and children. Each student is scheduled by letter at different times. Upon completion of the conferences, regular classes will convene.

New playground equipment furnished by the PTO, is an attractive addition to the spacious school grounds.

CADET STANLEY A. Daughtery, son of Mrs. Viola Lisle, Overland Park, Kan., and of Samuel H. Daughtery, Rt. 1, Frances Rd., Mokena, is shown preparing for inspection while attending Army Reserve Training Corps summer camp at Ft. Riley, Kan.

Dotte Anderson Returns Home After European Tour

MRS. DOLORES ANDERSON
Telephone: 485-2365

Miss Dotte Jean Anderson, 110 Hickory St., and Miss Fran Montella of Chicago Heights, have returned home from a nine weeks vacation trip to Europe and Scandinavia.

They enjoyed an eight week National Education Tour that began in London, England. Prior to the start of the tour, they spent a week in London, with Miss Anderson's brother, A 2/C Don Anderson, who is stationed at Alconbury Air Force Base near London. They visited many places of interest with Don in and around London and the Air Force Base. Points of interest for them in London were, Trafalgar Square, the Whitehall Mounted Horse Guards, Big Ben, Westminster Abbey, Buckingham Palace, Tower Bridge, a boat ride on the Thames River and visited Piccadilly Circus, and Madame Tussaud's Famous Wax Museum.

The tour was a very interesting and exciting one. The tour leader, John Chapman, formerly of Nebraska, and now a resident of Sparta, where he teaches, accompanied the tour members through eleven different countries including England, Holland, Germany, Denmark, Sweden, Norway, Austria, Yugoslavia, Italy, Switzerland, and France.

Several different means of travel were enjoyed by the travelers, including bus, plane, river steamer, ferry boat, and train.

An unusual aspect of the trip was their journey into Yugoslavia, behind the Iron Curtain.

While in Frechen, Germany, the group made up largely of teachers was given

a special reception by the Mayor of the city, and was taken on a tour of the schools there. They visited classes on the Gymnasium (Elementary school), Technical (High school), and College level.

The Womens League of Trinity Lutheran Church will sponsor a Fashion Show and Luncheon, on Wednesday, Sept. 20, at the church, at 1 p.m. "Fashions of Fall" will be presented and tickets for the show and luncheon are selling for \$2.00 per person.

Mr. and Mrs. Albert Osamus of St. Petersburg, Fla., and formerly of New Lenox, are spending several weeks here with relatives and friends.

Members of Boy Scout Troop 12 have returned home from a weeks camping trip at Rainbow Council, Boy Scout Reservation, near Morris. Those who attended the camp are: Billy Krohn, Dennis and Rollie Cagwin, Richard Koller, Mike Ryan, Steve Friant, Richard Meade, Mickey Reckemer, Terry Fellars, Greg Shinneman, and Scout master, James Ryan.

Willow Run Ladies Golf Club met for their regular meeting day Thursday and with partners playing, enjoyed their "Odd and Even Play". Winners of the match were: Helen Churchill and Ruth Yancheck; Betty Johnson and Orlean Collins; and Helen Pagoria and Pearl Jardine.

Jean Prima, a former resident of New Lenox and of the club, now living in Pennsylvania was a guest of the club for the day.

The Des Plaines Valley Mutual Aid Fireman Association will hold their annual family picnic on Sunday, Aug. 27 at Manhattan Park. A pot luck dinner will be held at one o'clock, and those from New Lenox attending are asked to bring the meat for their own family, a covered dish to pass, and their own table service. There will be waterball fights and a trophy given and pony rides for the children. The New Lenox Firemen will be in charge of the refreshments stand.

Mr. and Mrs. Carl Becker have returned home from a months vacation. They visited Expo '67 at Montreal, Canada, New Brunswick and Nova Scotia, and returned home by way of Maine, Vermont, New Hampshire and New York. They spent several days at their summer place on Lake Marie, in the Chain of Lakes before returning home.

Orientation for all new teachers in the New Lenox School district 122 will be held Tuesday, Aug. 29 from 8 a.m. until noon.

On Wednesday, Aug. 30, there will be a Teachers Institute from 8:30 a.m. until noon, and there will be building meetings in the afternoon, August 31st will be the first day of school, starting at the regular time, with only an hour session.

Sept. 1 will be the first full day of school. Approximately 1660 pupils are expected to start, and there will be 69 teachers, fifteen of them new.

Kindergarten classes in Marley and Reiter schools will not start until Sept. 7. Two hundred twenty pupils have registered, for kindergarten.

Pre-school registration for the St. Jude School District will be held Thursday and Friday, Aug. 24 and 25 at the school. On Aug. 31, pupils will report to school, starting at the regular time, with only an hour session. Sept. 1, will be the first full day of school.

Mrs. Almeda Knobloch and children returned home Friday from Mackinac Island in upper Michigan, where they enjoyed a weeks vacation.

Members of the TOPS club will meet Wednesday night, Aug. 23 at 7:30 p.m. in the Methodist Church. Meetings will be held now at the Methodist Church, regularly each Wednesday night at 7:30 p.m.

Mrs. A.W. Walsh of Saugatuck, Mich. visited here this past week with her daughter and son-in-law, Mr. and Mrs. Len Anderson and Dotte.

The New Lenox Hayshakers will meet tonight, Aug. 22 at the Francis 4-H field, where they will enjoy a picnic supper and meeting.

A 2/C Richard Schroeder has returned to the San Rita Air Force Base near Naples, Italy, after spending a thirty day leave here with his parents, Mr. and Mrs. Victor Schroeder, 144 Maple Lane.

Any girls in New Lenox that are interested in joining Brownie, Junior and Cadette Troops of Girl Scouts, are asked to contact the organizer Mrs. Arthur Reckemer, at 485-8249.

Girls from 1st through 8th grades are eligible, and troop meetings will start in September.

Each troop organized needs two leaders and several committee mothers, who help part time with telephoning, transportation, baking and working on badges with the girls. Mothers who are interested are also asked to call Mrs. Reckemer.

The last session of Childrens Story Hour will be held Wednesday, Aug. 23, at 1 p.m. in the New Lenox Library on Church street. Anyone interested in a winter program are asked to contact Mrs. A.N. Petersen at the Library or call 485-6180.

The Parents Club of St. Jude School have announced that their first meeting of the new school year will be held Thursday night, Sept. 6 at 8 p.m. in the school hall.

This meeting will be the usual "Get Acquainted Night" and all parents are urged to attend.

The school has formed its first band, and they will make their first appearance with a concert as a part of the program for the evening. Band director is Thomas Goodwin.

Many new books have been purchased during the last month, and are now on the

library shelves, at the New Lenox Township Library on Church Street. Among the non-fiction are: Cokesbury Stunt Book, How To Clean Everything, Photographer's Handbook, and Holiday Cards For You To Make. Among the fiction books are: Max Brand's Best Stories, Rosemary's Baby, The House of Cards, U.S.S. Mudskipper (the submarine that wrecked a train), the Gift Shop, The Chosen, and Stonecliff.

Library hours are: Monday through Friday, 1 p.m. to 5 p.m.; Monday and Thursday evening, 2 p.m. to 9 p.m., and Saturday morning 10 a.m. to 1 p.m.

Open Letter from the HIRSCHS'

Dear friends,

When the inevitable moment of a death in your family occurs, you should immediately call the doctor in attendance, and your clergyman.

The funeral director of your choice should likewise be called. He will notify the coroner, if no doctor was in attendance. You will, of course, also wish to promptly notify your relatives and friends.

Respectfully,

Carl Hirsch

Want To Argue On This? Write Lorenz

"How much does it cost the motorist to drive his own automobile?" Director Francis S. Lorenz of the Illinois Department of Public Works and Buildings and his guest, Norbert Johnson, assistant director of the department, answered this question in a radio report from Springfield this week.

"Ignorance is bliss," is the motto of the averagedriver, says Director Lorenz. He pointed out that in a survey conducted recently by researchers at the University of Michigan, only 25 per cent of 1,600 motorists queried had made even a rough estimate of such costs.

Two automotive groups, the U.S. Bureau of Public Roads and the American Automobile Association have completed new studies on the matter that show that the expenses of car ownership and use are substantially higher than they were two years ago.

Mr. Johnson reported that fixed costs -- those incurred even if one's car never leaves the driveway and including insurance, depreciation and registration, have increased from about \$800 a year in 1965 to more than \$980 today. The variable cost -- determined by usage and including the cost of fuel and maintenance -- have risen to \$380 for 10,000 miles as opposed to \$370 in 1965, according to the Automobile Club.

Mrs. William Rahm of Green Garden was the honored guest when her daughter and husband, Mr. and Mrs. Franklin Christiansen entertained about 40 relatives at a buffet supper in their home in honor of Mrs. Rahm's birthday anniversary.

Mr. A.L. Krusemark, Pure Milk Assn District 13's representative on the 18 man board attended their annual picnic on Tuesday, Aug. 22, at Inwood Park, west of Joliet.

The Association notes that an average motorist's cost will be higher or lower according to the type of car he owns, how he drives, etc. However, the Automobile Club feels a 13.6 cent figure is a reasonable instructive "Guideline" for the average motorist.

Director Lorenz, meanwhile pointed out that this estimate differed from that of the U.S. Bureau of Public Roads which shows that the average motorist spends 11 cents a mile to own and operate an automobile. The Bureau's study is based on a \$2,800 car driven 100,000 miles over a 10 year period. It shows the cost per mile decreasing from 12.5 cents in the first year to 10.1 cents for the 10th year of operation for an overall average of 11 cents a mile.

Depreciation is the biggest expense in the cost of owning a car, Lorenz said and added "It is brought home to the motorist only when he decides to sell or trade his car."

According to Mr. Johnson, the Bureau found that depreciation absorbed 2.8 cents of the 11 cent total while maintenance, accessories and parts accounted for 2.1 cents. Gasoline and oil cost 1.7 cents, insurance 1.4 cents and parking and tolls 1.8 cents, Mr. Johnson said. The smallest of all costs -- 1.2 cents per mile -- was for federal, state and local taxes.

ORDINANCE NO. 162 AN ORDINANCE PROHIBITING OBSTRUCTION OF SURFACE DRAINAGE WATER AND PROVIDING FOR THE CONSTRUCTION OF CULVERTS

BE IT ORDAINED BY THE PRESIDENT AND THE BOARD OF TRUSTEES OF THE VILLAGE OF NEW LENOX, COUNTY OF WILL, STATE OF ILLINOIS, AS FOLLOWS:

SECTION 1.

No person shall in any manner obstruct or alter the flow of surface drainage water upon the streets or within the drainage ditches or storm sewers upon the public rights of way within the confines of the corporate limits of the Village of New Lenox, Illinois; and all persons, before constructing or making any crossing of any such surface drainage ditch with a private driveway, sidewalk or other similar crossing which might or could obstruct the flow of water within any such drainage ditch, shall install at such crossing a surface drainage culvert or culverts of sufficient size to carry the water within the drainage ditch.

SECTION 2. Permits.

No person shall commence with the installation, enlargement, alteration, construction, repair or removal of any surface drainage culvert or similar structure, or any part or parts thereof, in or upon the streets or public rights of way in the Village of New Lenox unless and until a permit for such installation, enlargement, alteration, construction, repair or removal shall first be obtained by the person or persons desiring to do the same, or their agents, from the Village Clerk; and it shall be unlawful to proceed with such installation, enlargement, alteration, construction, repair or removal unless such permit shall first have been obtained and if after such permit shall have been granted, the operations called for by said permit shall not be commenced within ninety (90) days after the date thereof, or if such operations are not completed within a reasonable time, then such permit shall be void and no operations thereunder shall be commenced or completed until a new permit shall be issued and fees as herein fixed for the original permit shall be paid for such new permit.

SECTION 3. Permit Fees. The fee for the issuance of each such permit as herein provided for shall be the sum of Five (\$5.00) Dollars.

SECTION 4. Application for Permit.

Application for such permits shall be made by the persons desiring the same, or their agents, to the Village Clerk. When such application is made, plans and specifications shall be submitted for examination and approval by said Village official who shall then issue or cause to be issued a permit and shall file such application; said plans and specifications shall conform with the rules and regulations of the Village as promulgated by it.

SECTION 5. Inspection of Culverts.

The Village Commissioner of Streets or his representative shall make an inspection of the site of the culvert to be installed, enlarged, altered, constructed, repaired or removed prior to the issuance of the permit herein provided for, and shall make such additional inspections as may be necessary and reasonable during the operations for which the permit is issued and shall make a final inspection of the same after the installation, enlargement, alteration, construction, repair or removal provided for in the permit shall be completed. In the event that such installation, enlargement, alteration, construction, repair or removal of any culvert is not done in reasonable compliance with the application in a good and workman-like manner so that the same shall operate properly, the person to whom such permit is issued shall make such alterations as may be required to cause conformance with the application so that the same exists in good operating condition.

SECTION 6. Penalty for Violation.

Any person, firm or corporation who violates, neglects or refuses to comply with or who resists or opposes the enforcement of any of the provisions of this Ordinance shall be fined not less than Ten (\$10) Dollars, nor more than One Hundred (\$100) Dollars for each offense, and every person, firm or corporation shall be deemed guilty of a separate offense for every day on which such violation, neglect or refusal shall continue.

SECTION 7.

All Ordinances or parts of Ordinances in conflict herewith are hereby repealed.

SECTION 8.

This Ordinance shall take effect upon its passage, approval and publication according to law.

PROVAL AND PUBLICATION ACCORDING TO LAW.

PASSED this 16TH day of AUGUST, A.D., 1967.

ORDINANCE NO. 528

Municipal Service

Occupation Tax

BE IT ORDAINED BY THE President and Board of Trustees of the Village of Mokena, Illinois;

SECTION 1: A tax is hereby imposed upon all persons engaged in this municipality in the business of making sales of services at the rate of three-quarters of one percent of the gross receipts from any such business, in accordance with the provisions of Section 8-11-5 of the Illinois Municipal Code.

SECTION 2: Every supplier or serviceman required to account for Municipal Service Occupation Tax for the benefit of this municipality shall file, on or before the last day of each calendar month, the report to the State Department of Revenue required by Section Nine of the Service Occupation Tax act.

SECTION 3: At the time such report is filed, there shall be paid to the State Department of Revenue the amount of tax hereby imposed.

SECTION 4: The Village Clerk is hereby directed to transmit to the State Department of Revenue a certified copy of this ordinance not later than five (5) days after the effective date of this ordinance.

SECTION 5: This Ordinance shall be published within ten (10) days of its enactment as provided in Section 1-2-4 of the Illinois Municipal Code and shall be effective from and after the first day of the calendar month next following the expiration of the ten (10) day publication period.

SECTION 6: Ordinance No. 439 entitled "Municipal Service Occupation Tax" passed September 5, 1961, is hereby repealed effective October 1, 1967.

This ordinance shall take effect on the first day of October, 1967.

Three Senior Girl Scouts See Expo With Area Family

MRS. EDWARD HOVI
Telephone: 479-5740
Three of the Senior Girl Scout Patrol of the Cadette Girl Scouts went with the Markowski Family on their trip to Expo 67. The girls; Nancy Landfried, Pam

Strassenburg, and Janet Rochelle; stayed with Mrs. Markowski's mother, Mrs. George McLearn in her home in Hammond, N.Y.

The girls toured Expo 67 arriving early in the day and staying all day. They also hiked to the top of White Face Mountain in the Adirondacks. A lengthy bridge took them over to the chain of the thousand islands in the Saint Lawrence River. They also went through Boat Castle while there.

On the final night before leaving for home, they all took in the Saint Lawrence County Fair. Starring that night was Frank Fontaine who sang as well as doing his voice act. He also treated the audience to an additional show presented by three of his younger children who have put together a singing act.

The return home was

through Canada and re-entered the United States through Canada and back through Detroit.

The Girl Scouts are still in need of leaders for the upcoming season. Leaders are needed for all ages of scouting from the Brownies on up. If you are willing to contribute yourself for this worthwhile undertaking, please contact Mrs. Alice Kilgore at 479-5369.

Don't feel that you are being left out, men. There is a need also for a new Cub Scoutmaster for the fall. Mr. Crones has filled in admirably when the previous leader moved from the area. He took it on until a new one could be found. That was two years ago. How about helping out? Please contact Mr. Crones at 479-5038 and offer your aid.

The Glen Pierce Farm

Team played the Lincoln Estates Team and lost a close one by the score of nine to eight in the battle for first place. Too bad boys!

With the opening of school it might interest the parents that there is a low cost insurance policy which is available for all students in the school.

The sidewalk has been extended from the school through to Magnolia Street during the summer months. There is also work in progress to increase the playground area by the leveling and grading of the area in back of the school. It had previously been a weedy hill and unusable as playground area. The work is expected to be completed soon.

There is still much room for additional trees around the school, in spite of the number of trees donated by people in the area last year. Walter will be delighted to plant any trees which anyone cares to donate to the school.

The classrooms have all been re-arranged during the summer months. The original building now will house the second through fifth grades. The wing containing the all - purpose room will now house the kindergarten and first grade and the wing which previously housed the kindergarten will now house the sixth through eighth grade. The two sixth grades will be divided by a folding wall which will divide the former kindergarten into two classrooms.

There is only one spare

room left now which will be used for a music room and storage room. This new arrangement of rooms has provided more classrooms without eliminating the music room.

The governor of Illinois has signed into law two bills which will affect the school. Columbus Day, Oct. 12 is declared a legal holiday, and

no school will be held on that day. The second bill is of greater importance to the district. The state aid for the school has been raised from the previous level of \$377 to \$400 per pupil per year. This additional state aid will compensate for some of the higher costs of running the school, such as the need for one more teacher.

Rats A Problem In Most Communities

Getting rid of rats is a problem that confronts most communities, according to statistics of state and federal health agencies. The problem can be solved, they say, but it requires concerted effort.

At a meeting of the Orland Park Village Board last week the rat question was brought up. Some of the animals were seen in sections of the communities where they had not appeared previously.

The village board voted to buy a quantity of poison, which is to be made available to residents, but putting out poison is only a part of the job, it was said.

Rats are rated as intelligent animals and are wary of traps and poison. A rat will not eat poison bait as long as there is garbage or other food available to him, authorities say.

So one of the first items on their list is "don't give the rat a free meal."

Garbage should be placed only in metal containers that have tight fitting lids. Old barrels, 55-gallon drums, or cardboard cartons should not be used for garbage storage. Such receptacles filled with trash and rubbish are breeding places for rats.

A pair of rats can produce 50 young rats a year. Don't give the rat a place to hide or raise a family. They live in dark, enclosed spots such as trash piles, wood piles, double walls, under wooden floors in basements, stair cases, wooden sidewalks, boxed-in plumbing, closed platforms under furniture, discarded upholstered furniture and bedding, ash piles, old lumber.

Get rid of junk and it is a step toward getting rid of rats, the experts say. Lumber, pipes and other stored material should be at least 12 inches off the ground.

Keep basements, attics, sheds and storerooms clean.

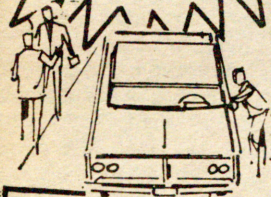

Don't let rats into your home or buildings, authorities advise, and urge making any repairs to keep rats out. Doors gnawed thru or are rotted should be rat-proofed by proper use of metal channels or flashing.

Basement windows should fit tightly and have no broken panes.

All openings in foundation walls which are at least a half-inch in diameter and are within 30 inches of the ground should be rat-stopped with metal collars or filled in with masonry.

ORDINANCE NO. 526
AN ORDINANCE PROVIDING FOR LICENSING OF BUILDING CONTRACTORS WITHIN THE VILLAGE OF MOKENA, ILLINOIS.

WHEREAS, it is deemed advisable, necessary and for the best interests of the Village of Mokena, Will County, Illinois, in order to promote, protest and safeguard the public safety of the inhabitants of said Village that Building Contractors be required to maintain building sites in an orderly condition;

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF MOKENA, WILL COUNTY, ILLINOIS, AS FOLLOWS:

SECTION 1: Definitions. The following terms used in this Ordinance have the following meanings unless the context otherwise requires:

"Person" means any individual, partnership, firm, association corporation, trust or other legal entity.

"Contractor" means any persons engaged in the business of constructing, altering, or repairing buildings or other structures or sidewalk or street pavements, including but not limited to, general building contractors; cement or concrete contractors; masonry contractors; carpentry contractors; acoustical contractors;

air raid building contractors; dry wall contractors; excavating contractors; fencing contractors; flooring contractors; garage contractors; glazing contractors; heating, air conditioning and refrigeration contractors; lathing contractors; painting contractors; plastering contractors; plumbing contractors; porch contractors; roofing contractors; sewer and drain layers; sheet metal contractors; tuckpointing and cleaning contractors; window contractors; wrecking contractors; blacktop sealer contractors; landscape contractors; swimming pool contractors; and all other contractors; provided that this Ordinance shall not be construed as requiring a license for the operation of the business of plumbing contractor, or the business of electrical contractor by a person who has registered as such pursuant to the provisions of ordinances relating to plumbing and electrical contractors.

Any person who engages in the construction, repair or alteration of any building, structure or street or sidewalk pavement within the municipality, for which a building permit is required, is presumed to be a contractor and must be licensed hereunder unless such presumption is rebutted.

SECTION 2: License Required. No person shall be a contractor within the municipality without first having obtained a license therefor as herein provided.

SECTION 3: Application. Applications for license shall be made in writing to the Village Clerk upon forms furnished thereby. Each application shall state the name of the applicant, applicant's address, number of individual persons to be operating under such license, type of license requested, and a statement that the applicant agrees to comply with this and all other ordinances relating to or regulating the activities engaged in.

SECTION 4: Bond. Each applicant shall, before receiving a license as provided in this Ordinance, deposit with the Village Clerk a bond

in the penal sum of Ten Thousand Dollars (\$10,000.00) with surety to be approved by the corporate authorities to indemnify, keep and save harmless the municipality against any loss, cost, damage, judgment or liability of any kind whatsoever which the municipality may suffer or be put to, or which may accrue against, be charged to or be recovered from the municipality or any of its officials by reason of any act or thing done or neglected to be done under or by virtue of the authority given in such license, and further conditioned that the applicant shall well and faithfully observe all the provisions of this ordinance and other ordinances and other regulations of the municipality relating to the activities engaged in under or by virtue of the authority given in such license. Such bond shall extend over the license period.

SECTION 5: Issuance; License Period. The Village Clerk shall issue a license upon proper application and compliance with this Ordinance, and payment of the prescribed fee, as hereafter provided. All licenses shall expire on July 1 of each year.

SECTION 6: Fee. The annual fee shall be as follows:
(1) General Building Contractor \$50.00
(2) All other Contractors \$25.00

Any person licensed as a general contractor shall not be required to secure an additional license for the performance of carpentry, masonry, cement or concrete contracting.

The fee for a license for the balance of the year, which is applied for on or after January 1 of any year shall be one-half (1/2) the annual fee, provided the applicant has not been a contractor within the municipality prior to such date and after July 1 of the year preceding the year in which such application is made.

SECTION 7: Duties of Licensees. It shall be the duty of all contractors licensed hereunder to comply with all ordinances relating to or regulating the activities engaged in and, in addition thereto, to at least once each week remove or cause to be removed from the site of contractors' activities all trash, refuse and waste materials. Contractors shall at all times keep the site of activities in an orderly condition, free from standing water, unguarded dangerous implements and health and safety hazards, and contractors shall not obstruct traffic on streets or sidewalks or permit dirt or waste materials to fall or be carried onto such public ways.

SECTION 8: Inspection; Enforcement. The provisions of this Ordinance are declared to be of a regulatory nature, and it shall at all times be the duty of the Police Department, the Health Department, the Fire Department and the Building Department regularly to inspect the site of contractors' activities to see that the same are being conducted and operated in accordance with the requirements of all laws and ordinances applicable thereto.

SECTION 9: Repeal. All ordinances and parts of ordinances in conflict herewith are, to the extent of such conflict, hereby repealed.

SECTION 10: Penalty; Revocation. Any person who violates any provision of this Ordinance shall be fined not

Herschbach Heads Will County United Crusade Campaign

Walter O. Herschbach, Joliet attorney and a native of Frankfort, will direct the annual Will County United Crusade campaign this fall.

Herschbach, who has been quite active in community affairs, is no stranger to fund campaigns. He has raised money for the YMCA, the USO, the Will County TB Association thru Christmas seals, and Red Cross by directing their fund campaigns and has also partici-

pated in the annual Crusade drive, from the time it was called the Community Chest.

He is a member of the law firm of Herschbach, Tracy, Johnson and Wotjak at Joliet where he has been practicing law since 1933. He is a member of various organizations, including the William Martin Post, VFW, of Mokena.

His mother, Mrs. Lilly Herschbach, and a sister, Mrs. Dorothy Woodman, reside at Frankfort.

Need Personnel

The Illinois Nurses' Association is spearheading a new stepped-up statewide program to return inactive nurses and other health personnel to work to offset the acute need for manpower in health facilities.

INA is particularly gearing its program to expand currently available refresher courses and encourage new programs for inactive nurses. About 20,000 Illinois RN's are not actively practicing. They represent a potential boost for overworked nursing staffs if they could be retrained and assisted back into health care.

The new program is possible through a one-year contract just signed by INA with the U.S. Department of Health, Education and Welfare which is negotiating contracts with groups in a number of states to encourage retraining inactive health personnel. Terms of the INA contract include a grant estimated at \$45,632

more than Five Hundred Dollars (\$500.00) for each offense; and a separate offense shall be deemed committed on each day during or on which a violation occurs or continues.

Any license issued under the provisions of this Ordinance may be revoked by the Village President for any violation of any provision herein, and such revocation shall be in addition to any fine imposed. No person whose license has been revoked as herein provided shall be eligible for a new license during the license period. The President may reinstate a revoked license during the license period without payment of an additional fee.

SECTION 11: Publication. This Ordinance shall be published and printed in pamphlet form under the authority of the Village Board of the Village of Mokena.

SECTION 12: Effective Date. This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

to finance salaries of a nurse coordinator, administrative assistant, office, equipment, and administrative costs of the project.

During the one-year contract, the project will lay a foundation for an ongoing program based on the following goals:

1) To locate and promote recruitment of inactive health personnel, particularly using the research on inactive nurses just completed by the Illinois Study Commission on Nursing. (Co-sponsored by INA, the study commission is due to complete by year's end its recommendations for meeting nursing needs in Illinois projected to 1980.)

2) To develop details of the need for health personnel.

3) To promote new training courses and/or expand existing programs. Effort will be made to interest junior colleges and adult divisions of high schools to establish retraining courses, to expand the current courses promoted by the Chicago Council on Community Nursing, and to attract new sources for clinical experience in hospitals and health agencies.

4) To assist in presenting effective retraining courses, with consideration of specialty areas such as geriatrics and community health.

5) To assist health personnel to return to active employment by encouraging employers to establish in-service and continuing education programs, personnel policies and working conditions conducive to attracting retrained people.

Assuming the duties of nurse coordinator Aug. 14, is Miss Virginia Williams, RN, 705 N. Center St., McHenry. Project director is Mrs. Anne Zimmerman, executive administrator of INA. Offices of the project are in Room 1314-A, 6 North Michigan Ave., Chicago.

Miss Williams received her baccalaureate degree in nursing from Loyola University, her basic education in St. Anne's Hospital school of nursing, Chicago, and has served in a variety of positions in private and Veterans Administration hospital, private duty and public health nursing. She comes to INA from the Lake County (Ill.) Health Department with experience in its generalized family-centered services.

The INA retraining project will be augmented with assistance from its parent organization, the American Nurses' Association, which is developing materials and offering consultation in a national recruitment project through a \$50,000 grant under the Manpower Development and Training Act.

Cheer up, Mister! If you've got less hair to comb, at least you've got more face to wash ...

Overheard at a discotheque:
"Let's sit this one out. My arms are tired."

I wouldn't mind the kids' transistor radios if they weren't both AM and PM ...

We know a terrible poet. I wish he'd curb his doggerel.

\$1639⁰⁰

What's the catch?
There isn't any.
\$1639 is the suggested retail price at the port of entry for the VW Sedan.
The price includes federal excise tax and import duty.

It includes the built-in heater/defroster, windshield washer, electric windshield wipers and dual padded sun visors.

It's the price of the real thing; not a stripped-down economy model.

What else do you have to pay?
The charge for transporting the car from the port of entry. The dealer delivery charge.

And local sales tax.
There is one optional that makes a lot of sense: the matching leatherette upholstery, for \$30.00 extra.

Nearly everyone orders it because it eliminates the need for slip covers. And that's it.

(Unless, of course, you count the cost of gas and oil it takes you to get here in your present car.)

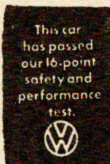

Now at our new location...
